101.515 Biblical Hebrew: Introduction
Course Outline

NQF Level: 5
Credit Value: 15

DELIVERY MODE

Christchurch

COURSE DESCRIPTION

The course is an introductory study of the grammar and vocabulary of Biblical Hebrew, and its application in translation and exegesis.

LEARNING OUTCOMES

By the end of this course students should be able to:

1. Demonstrate knowledge of the vocabulary in the lessons covered.
2. Read Hebrew script with its Masoretic pointing.
3. Show familiarity with the key points of Hebrew grammar in the lessons covered.
4. Utilise the knowledge gained to parse Hebrew words and translate simple passages of Biblical Hebrew into English.
5. Indicate an awareness of the exegetical value of the linguistic knowledge gained.
