

462.515 Management of Ministry
Course Outline

NQF Level 5,
Credit Value: 15

DELIVERY MODE

Auckland, Christchurch and CDL

COURSE DESCRIPTION

Internship courses are designed to equip men and women for effective leadership and ministry in the church and in the world. This Internship course focuses on the management of ministry with specific emphasis on fostering self-awareness around the issue of self-care. Management theory meets practice through the experience of ministry, mentoring, reflective practice, assignments and integrative tutorials.

THE INTERNSHIP PROCESS

The key elements of the Internship process are:

- At least 8 hours per week practical ministry involvement
- Ongoing reflection on ministry and learning
- Fortnightly meetings with your internship mentor
- Fortnightly participation in integrative tutorials
- Completion of written assessments (see below)

LEARNING OUTCOMES

At the end of this course students should be able to:

- a. Clearly state and implement their learning objectives for personal and professional development.
- b. Reflect on their ministry involvement and describe aspects of ministerial formation in relation to a specific ministry project.
- c. Contribute responsibly to a designated area of ministry.
- d. Engage in integrating academic learning with ministry practice.
- e. Evidence understanding of good practice for self care in ministry.
