

**857.615 Human Development
Course Outline**

NQF Level: 6
Credit Value: 15

DELIVERY MODE

Manukau, Henderson, Christchurch

COURSE DESCRIPTION

This course surveys contemporary understandings of human development in conversation with Christian theological descriptions of human being.

LEARNING OUTCOMES

Students will be able to:

1. discuss a range of understandings of the diverse experience of being human
2. describe and evaluate key developmental models and the work of developmental theorists
3. engage with theological and faith perspectives on human being and human development
4. relate human developmental understandings to personal and professional issues
