LIDLAW COLLEGE

Te Wananga Amorangi

857.715 Human Development Course Outline

NQF Level: 7
Credit Value: 15

DELIVERY MODE

Manukau, Henderson, Christchurch

COURSE DESCRIPTION

This course surveys contemporary understandings of human development in conversation with Christian theological descriptions of human being.

LEARNING OUTCOMES

Students will be able to:

1. critically evaluate a range of understandings of the diverse experience of being human
2. describe and evaluate key developmental models and the work of developmental theorists
3. critically engage with theological and faith perspectives on human beings and human development
4. demonstrate human developmental understandings of personal and professional issues
